## ABOUT THE SMOGDANCE FILM FESTIVAL

Founded in 1999, the Smogdance Film Festival provides a venue for emerging filmmakers—both locally and from around the world—to share their work with audiences in the Inland Valley. Last year, we were chosen by the National Endowment for the Arts to receive the Challenge America: Reaching Every Community (CAREC) grant. The grant has given us the opportunity to increase our support to filmmakers and to expand our efforts to bring diverse visual arts to Pomona and the surrounding community.
